Work Experiences

Research Assistant for Virtual Reality Development – Internship

President Research Center (President University) | Bekasi, Oct 2023 – Dec 2023

- Designed immersive Virtual Reality (VR) interactions and scenes based on therapeutic scripts and objectives
 - Developed and implemented VR therapy experiences using SimLab
 - Created post-interaction animations to support therapeutic outcomes and user engagement
-

Projects

Defect detection and root cause analysis – AI Trainer

- Created a small custom dataset of toy car defects and annotated images using polygonal segmentation
- Trained object detection and image segmentation models (YOLO, Mask R-CNN) for defect identification, also developed machine learning models for root cause analysis of detected defects

COVID-19 Question Answering Chatbot – AI Trainer

- Implemented a semantic search system using Universal Angle Embeddings for encoding contexts and FAISS for fast similarity retrieval on the COVID-QA dataset.
- Trained and compared transformer-based models (RoBERTa, SciBERT, BERT) to evaluate performance in biomedical question answering.

Glass Ordering Application – Full-Stack Developer

- Developed a web-based ordering system for glass products using PHP, MySQL, and Tailwind CSS with Flowbite, enabling admins and resellers to manage inventory, orders, and customer interactions.
 - Designed and implemented relational database schema (ERD) with account-role separation and discount logic, supporting CRUD operations for users, products, and transactions.
-

Education

President University, Bekasi, 2023 – Now

Bachelor of Computer Science | GPA: 3.96/4.00

- Achieved second place in application category in President University Economic Survival Exhibition
 - Part of Learning Division of President University Computer and Technology Enthusiast (PRESCOME)
-

Skills

Soft skills:

- Problem-solving
- Teamwork
- Adaptability
- Open to feedback
- Hardworking

Hard skills:

- Python
- MySQL
- Pytorch
- PHP
- Laravel

Language skills:

- Indonesian (Native)
- English (Fluent) – Certified with Duolingo English Test, Score: 140
